Practitioner Registry Achievement AWARD

You must meet all of the following requirements to apply for this AWARD:

- Remaining current on the Practitioner Registry at one level and moving up to Level 4 or beyond. Renew on time each year so you don't miss out!
- Employed in a state licensed or registered early childhood program for 12 consecutive months AFTER you have achieved your new level .
- Completed early childhood college coursework after January 1, 2011 that resulted in a move up on the Career Path to Level 4 or higher.

Complete this application to request a Practitioner Registry Achievement AWARD, and return with a completed W-9 form and Early Childhood Project Work Verification form.
