

The Early Childhood Planning and Coordination Calendar

In an ongoing effort to prevent scheduling conflicts between statewide meetings, conferences and special events, the Early Childhood Project has created the Planning and Coordination Calendar for your use.

For more information about events listed, go to back to our home page and click on Training Calendar. Details about events are listed under Conferences, Courses and Special Events.

This calendar will only be as effective as YOU make it?
When planning an event please check the calendar for possible conflicts.

Have you set a date? Let the [ECP](#) know and we'll post it for you!

Many of the events listed on this calendar have targeted audiences and/or membership.
