Thank you for your interest in the Montana Scholarship Program for National Association for Family Child Care (NAFCC) accreditation. It is the intent of the Scholarship Program to promote NAFCC accreditation for state registered family and group child care homes. NAFCC accreditation is recognized at Level III on the Montana Early Care and Education Career Path with 120 hours of approved early childhood training in the past five years.

**To be eligible for this scholarship you must be an active participant on the Montana Practitioner Registry.
