

Mountain Meadows Montessori School is looking for a new member to join our teaching staff. The position will include work in the classroom in the morning, assistance with lunch time, planning afternoon activities and playground supervision every day.

Important attributes include:

Respectful, loving, and nurturing

Experience with children

Able to work as part of a team

Good communicator

Committed to Montessori approach

Interested in learning and growing professionally.

Teaching experience, especially Montessori, preferred but not required. Candidates with an outdoor or experiential education background are encouraged to apply. We will provide on-the job training in Montessori principles, early education standards and appropriate classroom management techniques.

We are a state licensed childcare facility, and all staff must pass a background check, provide proof of required immunizations, obtain CPR and First Aid training, and participate in state childcare trainings.

We strive to help young children develop an appreciation of the world around us while fostering a love of learning in a warm, nurturing environment. A central component of Montessori education is “cosmic education” – helping children to experience the wonder of the world. We place strong emphasis on natural science education, from the big bang and the universe to learning about our local birds and plants.

We encourage candidates to review our website
